

Community Foundation Announces Available Grant Funding

The Republic County Community Foundation (RCCF) is accepting applications for grant funds.

The RCCF is a collection of funds designed to link donors with charitable causes and is an affiliate of the Greater Salina Community Foundation.

"The RCCF is pleased to take another step toward fulfilling its primary mission; meeting charitable community needs that enhance the quality of life, today and in the future," William Navis, vice-chairman of the board, said.

Grants are available for projects benefiting and serving Republic County. The RCCF will consider applications from non-profit organizations, individuals, and groups of individuals. The application deadline is October 30, 2009.

Grants will be financed from the Republic County

Community Action Fund, an unrestricted community grant fund. The fund was created by the generosity of those who have contributed to the RCCF since its inception in October, 2007. From this endowed fund, the RCCF will award \$2,700 this fall. Additional grant funds will be available in the future as the endowed fund continues to grow.

Applications are available at Gottschalk & Company, CPA's, L.L.C., 1903 N Street, Belleville, online at republiccountycf.org, or from any board member. Interested applicants can visit the RCCF website at republiccountycf.org for grant guidelines.
