Cuba Booster Club Receives Community Grant

Republic County Community Foundation (RCCF) has announced its fall 2008 grant recipients. Last week, RCCF presented the Cuba Booster Club with a \$400 grant.

The grant will be used for improvements to the playground area at the Cuba City Park.

"The Cuba City Park is a gathering place for families, events and activities," said Marilyn Junek, Cuba Booster Club Secretary. "The old park equipment is wooden and deteriorated. With safety being our first priority, it must be removed and replaced to restore the beauty and functional use of our park," she added. "We truly appreciate the foundation's assistance with this project."

The Cuba Booster Club grant is from the Republic County Community Action Fund. This

fall, the RCCF will award \$1,750 in community grants. The available grants will increase next year as this endowed fund continues to grow.

"This project truly emphasizes the RCCF mission: to enhance the quality of life, today and in the future, said Sarah Hartung, RCCF board secretary. "It is one of five great community projects we're able to fund this year."

The RCCF completes their mission by enabling donors to fulfill their charitable desires, building a permanent endowment, facilitating prudent management and care of funds, and meeting needs through grants, awards, and scholarships.
